

Abba Gold Europe Backline requirements. Latest update October 2024

### **Keyboards-Christian Pickin**

- A. 88 note stage piano with sustain pedal. Preferred is Clavia Nord 88 or Kawai MP7 SE or Roland RD 2000, RD 88 or Yamaha CP88
- B. Analogue synthesiser with patch memories minimum 4 octave keyboard...Preferred is Sequential Prophet 6, Oberheim OBS, Behringer Deepmind 12. Also ok is Sequential REV 2/ Take 5, Oberheim TEO 5, Studiologic Sledge 2.0, Clavia Nord Lead A1
- C. Strong double brace 2 tier keyboard stand (100kg support). Preferred is..... K&M 18860 Spider Pro. Also good is Hercules stand KS410B
- D. 2 x stage monitors for stereo monitoring
- E. Shure SM58 beta microphone with microphone stand.

Christian will not bring any equipment on the airplane with him except for usb memory stick with patches stored on it.

### **Bass-Graham Brown**

- A. Graham would like Hartke HA350 amp with 4x10 speaker cabinet.
- B. Preferred monitoring stereo in-ear wireless system.

Graham will bring one bass guitar plus guitar cable on the airplane. Also a pair of Shure SE315 earphones

### **Guitar-Gary Jones**

- A. 1 x guitar amplifier for the stage  
Preferred amp is Vox AC30 or AC15 is ok. Also Marshall amplifiers are ok.
- B. 1 x acoustic guitar with electric pick up. Preferred is Martin D18 but most Martins are good.
- C. Two guitar stands. Electric Guitar is not standard as it is shaped like a star so many guitar stands are not suitable if they need guitar to rest on the base. Ideal stand is Hercules GS412B. GS414B is ok also.
- D. Preferred monitoring stereo in-ear wireless system.
- E. Shure SM58 beta microphone with microphone stand.

Gary will bring a Pedaltrain Classic pedal board and 1 electric guitar (star shaped) on the airplane plus guitar cables. Also a pair of Shure SE315 earphones

## **David Hattee-Drums**

Drum Kit - any good quality kit (white colour if available) to consist of -

- 1 x 22" Bass drum
- 1 x Rack Tom (10" or 12")
- 1 x Floor Tom (14" or 16")
- 1 x Snare Drum (eg Ludwig 402)

Quality Cymbals (eg Zildjian A or K, Sabian AA or HH)

- 1 x Hi hats (14")
- 2 x crash cymbals (16 to 18")
- 1 x Crash/Ride Cymbal (20")

All hardware to include -

- 1 x hi hat stand
- 1 x snare stand
- 3 x cymbal stands
- 1 x stool
- 1 x bass drum pedal

Dave will bring a flight case with a 8 channel mixer and stereo minidisc unit for click tracks. he will need stereo DI box for the unit to send to front of house and a stereo static XLR feed for the mixer to receive monitoring. Also a pair of Shure SE215 earphones. Also drumsticks.

## **Sarah Carpenter and Bonita Delaney (Vocals)**

The ladies would prefer two stage monitors each for foldback.

Shure SM58 beta microphones or equivalent plus microphone stands.
